Dr Romesh Kumar Gupta  
*Chairperson IQAC/Principal*

---

No: UCB/2022/ 731  
Dated: 06/06/2022

**NOTICE**

It is for the information to all the students of BA/B.Sc./B.Com./BBA/BCA Semester-II, IV & VI and PG students of Chemistry, English & Hindi Semester-II & IV that the college is in the process of **Assessment and Accreditation** wherein National Assessment and Accreditation Council (NAAC) will evaluate the performance and overall functioning of the college based on seven identified criteria.

This process has started from 03-06-2022 by NAAC with the conduct of a Student Satisfaction Survey to assess the college on "**Teaching Learning and Evaluation**". Those students who have received or will receive emails from NAAC are hereby asked to answer all the questions with sincere efforts and thought, as this will help in upgrading the quality of higher education. For this students have to open the link sent on their emails and after answering the questions submit the response to complete the survey. You may receive the said emails either in the inbox or in the spam.

In case you find any difficulty in responding the survey, contact college's Internal Quality Assurance Cell (IQAC) for help and guidance.
