SWOT Analysis

Strength	Inculcates the skills of communication and empirical observation which equips the students for betterment in future life, The Deptt. has shown an excellent inclination towards teaching-learning, Easily Accessible to Students, Better Communication with students, Coordination,

	Flexibility, Student Oriented Approach, Improvement in the learning outcomes among the students as reflected in their results, Better Student-Teacher relationships, Inculcation of Moral Ethics among students to make them Ideal citizen.
Weakness	Lack of Phonetics lab and Separate Department .
Opportunities	Scope of Up gradation Up to PG Level as there is a demand for opening of PG Department from students as they have to move out of the J & K UT for pursuing Higher Education, Effective use of Department for welfare of students, Strengthening the role of students and teachers for the mitigation of societal as well as environmental issues, Department can be used for Students guidance and counseling. Linkages can be established with other Govt. Departments like Information, Revenue and Land Records for dissemination/exchange of data.
Threat	Vulnerable to emergency situations like COVID as room are small for enforcement of SOP's, Most of the feeding Schools have not Urdu subject or Teaching staff which lead to low admission in Urdu subject at college level.
